一切众生而为树根 诸佛菩萨而为花果
以大悲水饶益众生 则能成就诸佛菩萨智慧花果
何以故 若诸菩萨以大悲水饶益众生
则能成就阿耨多罗三藐三菩提故

《大方广佛华严经》入不思議解脱境界 普贤行愿品

All beings are roots of the Bodhi-tree, the Buddhas and the Bodhisattvas are its fruits and its flowers. If bodhisattvas apply the water of Great Compassion to all beings (who form its roots), the Bodhi-tree will bloom with flowers, and bear the fruits of the wisdom of Buddhas and Bodhisattvas. And why? If Bodhisattvas apply the water of Great Compassion to benefit all beings, they will attain Anuttara-Samyak-Sambodhi.

On Entering into the Inconceivable State of Emancipation by the Practice and Vows of the Bodhisattva Samantabhadra of the Mahavaipulya Buddha Avatamsaka Sutra. (Translated from the Tripitaka Master Prajna (of Kapisa) version by Upasika Chihmann)

修行、出家的缘起

宽如法师为 中华国际大悲咒水功德会 之开山创办人，年轻时因工作绩效优异、表现杰出、无奈树大招风惹同事憎妒猜忌。天性敦厚淳良却无端受此空穴来风，身陷烦恼。孤立无援下投诉无门，仅凭幼年家祀观世音菩萨之印象，每日清晨于阳台跪拜焚香，祈求观世音菩萨作苦海之慈航，恳请菩萨不藉托梦而快来指引迷津。

如此持续月余。忽于某日之凌晨三点多，叩门声紧迫作响，宽如法师应门赫见一素昧平生之比丘，当时大雨滂沱倾盆而下，袈裟竟毫无濡湿。宽如法师问：「师父找谁啊？我不认识您耶！」比丘答：「我认识你啊！」宽如法师好奇再问：「请问师父怎么称呼？又是谁叫您来的啊？」比丘答：「是你要我赶快来的啊！我没有法号，叫我师父就可以了。」宽如法师此刻了然于胸，眼前比丘必是 观世音菩萨变现度化，当下内心无比雀跃欢喜，兴奋过度，竟已骤忘恳请菩萨指引迷津。比丘再言：「以后你有什么困难，跟我说，我会帮你的。目前你的问题只需要多念这本大悲咒，就可以得到解决了。」宽如法师备极恭敬双手承接，发愿广为流传获赠之大悲咒。比丘笑逐颜开，喜作结语：「很好，下次再送你小本的可以放口袋，记得要把你遇到我的事迹印在大悲咒后面，让世人知道，日后能持大悲咒水救人。」

宽如法师遇 观世音菩萨示现比丘度化指引，赠予大悲咒法本并嘱托深入修持，未来更要以大悲咒水救人。后历经故事逢人生劫数，乃发愿要以大悲咒及大悲咒水拔一切众生苦，令得安乐。遂开始以大悲咒及大悲咒水度人之因缘。深入经藏二十余年，修持大悲心陀罗尼经，创立功德山 中华国际大悲咒水功德会，致力提倡大悲菩提法门不遗余力。长年为因应众生之需求乃举行大悲菩提法会及遍洒三千、烟供等各项活动。每场法会均殊胜至极，所救度的众生无量无边。除法颂舍利不断出现外，种种瑞相也频频示现，此乃佛力加持。

Story of Master Kuan Ru Entering into Monkhood

Master Kuan Ru, founder of the Chunghwa International Great Merciful Water Association, faced envy from colleagues despite her outstanding work performance in her youth. Though naturally sincere and kind, Master Kuan Ru found herself unjustly maligned and isolated, with nowhere to turn. Remembering her childhood devotion to Avalokitesvara Bodhisattva, Master began each morning by kneeling on her balcony, offering incense, and fervently praying for the Bodhisattva to guide her through her troubles—not through dreams, but with swift, direct help.

After more than a month of this practice, one morning around 3 a.m., there was a persistent knock at her door. Opening it, Master Kuan Ru saw a monk she had never met before. Despite the torrential rain outside, his robes were perfectly dry. Master Kuan Ru asked, “Master, who are you looking for? I don’t recognize you.” The monk replied, “But I recognize you.” Curious, Master Kuan Ru asked, “May I ask your name? Who sent you here?” The monk answered, “You asked me to come. I have no Dharma name—just call me Master.” At that moment, Master Kuan Ru realized this was Avalokitesvara Bodhisattva appearing in the form of a monk. Overjoyed, Master momentarily forgot to ask for guidance.

The monk said, “From now on, if you encounter difficulties, tell me and I will help you. For now, just recite this Great Compassion Mantra more often, and your problem will be resolved.” Master Kuan Ru respectfully received the mantra book with both hands and vowed to spread the Great Compassion Mantra widely. The monk smiled and added, “Good. Next time, I will give you a pocket-sized version. Remember to print the story of our encounter at the end of the booklet, so that people will know and, in the future, use Great Compassion Mantra Water to save others.”

After experiencing further hardships, Master Kuan Ru vowed to use the Great Compassion Mantra and its water to relieve all beings of suffering and bring them happiness. Master began forming karmic connections by using the mantra and its water to help others. After more than twenty years of deep study of the Buddhist scriptures and diligent practice of the Great Compassion Dharani Sutra, Master Kuan Ru founded the Chunghwa's International Great Merciful Water Association, dedicating herself to promoting the Bodhisattva path and cultivating Bodhicitta. In response to the needs of sentient beings, Master regularly holds Sprinkling of the Great Compassion Mantra Water activity and Smoke Offering Puja. Each event is marked by extraordinary auspicious signs and the liberation of countless beings. Dharma-verse relics and other auspicious phenomena frequently appear, all seen as blessings from the Buddhas and Bodhisattvas.

Master Kuan Ru raises the great wind of compassion and brings down the rain of loving-kindness, transforming and guiding beings in all directions. Wherever she goes, she leads all sentient beings to give rise to Bodhicitta and walk the path of the Bodhisattva. To teach and liberate beings from suffering, Master Kuan Ru travels the world to spread the Dharma, undeterred by any trials or hardships. Because of this, Master Kuan Ru has moved the Buddhas and Bodhisattvas, who have repeatedly manifested many inconceivable "Dharma-verse relics."

These relics are evidence that the Buddhas and Bodhisattvas are transforming and guiding the public that Gondesan Temple as a temple is focusing on the Bodhisattva path, inspiring boundless virtuous deeds, the path of awakening, and Bodhisattva practices. Master Kuan Ru often says, "What we should do is to help all beings give rise to Bodhicitta!"

佛说《浴佛功德经》：
「善男子，诸佛世尊具有三

我涅槃后，若欲供养此三身

一者、身骨舍利，二者、法颂

In "The Sutra on the Merit of Bathing the Buddha", Buddha said, "Virtuous man, all Buddhas, World Honored Ones, have three bodies. They are known as the Dharma body or Dharmakaya, the glorified body or the Sambhogakaya, and the manifestation body or the Nirmanakaya. After I have passed into parinirvana, if you wish to pay homage to these three bodies then you should pay homage to my relics. There are two kinds: the first is the Buddha's bodily relics; the second is the Dharma-verse relics."

During a Dharma assembly held by Venerable Master Kuan Ru in Dalian, grass sprouted from the ground forming the Chinese character for 'Buddha'.

宽如法师弘化大江南北，每一步都如履薄冰，不论多么困难，只想给予众生一切最好的，所到之处法雨普润，场场爆满，万人空巷，每个人都沐浴在佛光中，法喜充满！遇到恩师，彷彿枯木逢春，久旱甘霖。恩师把握每个当下，将菩提心深植在每位弟子心中。

法师总是为度众生吃一切苦，而屹立不摇，往往在最难行能行时，诸佛菩萨频频示现殊胜瑞相，广设方便，接引无明的众生。佛菩萨的精神，是我等必须学习并落实的。我们应加紧脚步，精进不懈，人生难得今已得，更待何生度此身。

Master Kuan Ru propagates Dharma from north to south of the great rivers. Every step in propagating Dharma is fraught with hardship, as if treading on thin ice. No matter how difficult the circumstances, Master wishes only to offer the very best to all sentient beings. Wherever she arrives, the Dharma rain nourishes all. Every event is overflowing with crowds. Everyone is bathed in the Buddha's light, filled with Dharma joy.

Encountering such a Master is like a withered tree awakening by spring, or parched earth receiving sweet rain after a long drought.

Master Kuan Ru cherishes every moment, planting the seed of Bodhicitta deeply in the heart of every disciple.

Master Kuan Ru is unwavering in enduring all hardships for the sake of liberating sentient beings. Often, in the most difficult and seemingly impossible moments, Buddhas and Bodhisattvas manifest extraordinary auspicious signs, skillfully setting up expedient means to guide beings lost in ignorance. The spirit of the Buddhas and Bodhisattvas is something we must strive to learn and embody. We should quicken our pace and practice diligently and unremittingly. Now that one has attained the scarcely attainable human body- if not in this lifetime when shall we liberate ourselves?

大悲咒水的利益

「大悲咒是过去九十九亿恒河沙诸佛所说。」

「若诸人天诵持此陀罗尼者,其人若在江河大海中沐浴,其中众生得此人沐身之水,沾着其身,一切恶业重罪悉皆消灭,即得转生他方净土,莲花化生,不受胎身湿卵之身,何况受持读诵者。」

——出自《大悲心陀罗尼经》

大悲咒能治世间八万四千种病,能够令我们恶业重罪灭除。上宽下如法师在全球带领广大的弟子,每日都精进持诵大悲咒,再回向大悲咒水。将大悲咒水流通至各大医院、养老院、启智学校、精神病院,甚至许多佛寺,宫庙等也都来请大悲咒水。宽如法师的慈悲大爱,愿大家都接受到佛法的熏陶,大悲咒水的洗涤,都能来学佛,发菩提心。

大悲咒水冥阳两利,平常都可以积极参加功德山全球各分院共修处,遍洒三千的活动,甚至在清明节时更可以把大悲咒水洒向祖先坟墓,周遭的亡灵也都去利益他们。我们不只是利益自己的亲人,别人的苦难也要去救拔,何况亡灵非常的可怜,不得超脱到极乐世界去,我们能够举手之劳帮助他们,要一起来发心。

宽如法师带领弟子,在全球各地每月到不同地方,遍洒大悲咒水,甚至屠宰场、渔港、墓园、大海,都来遍洒大悲咒水。就像观世音菩萨的「杨枝净水,遍洒三千,性空八德利人天,福寿广增延,灭罪消愆,火焰化红莲。」遍洒三千能够令我们三界火宅,身心恼热的众生,沾着到大悲咒水,都得到身心清凉自在,增加福报,寿命延长!令我们的道心纯熟,更发出广大的慈悲心、菩提心。有上求佛道下化众生的善根能够增长起来。

我们要以这样的心,去救度有情,我们的命运能快速改变,前途快速光明,病苦也会快速好转起来!愿见闻者皆共同积极发心护持,一起来参加遍洒三千,共修及种种法会活动。令我们自身业障消除,所求快速满愿,吉祥昌盛,诸佛菩萨恒加持!

The Benefits of Great Compassion Mantra Water

Taken from "The Great Compassion Dharani Sutra"

"The Great Compassion Mantra was spoken by ninety-nine billion Ganges River sands' worth of Buddhas"

"If a human or celestial being who recites this Dharani bathes in a river or sea, the nearby living beings coming into contact with his bath water will have all their weighty sins cleaned and be reborn in Pure Lands of other directions. They will be born through miraculous transformation through the lotus and will not undergo birth from wombs, moisture, or eggs. How much better for those who recite this Dharani themselves!"

The Great Compassion Mantra can cure eighty-four thousand types of illnesses and to help eliminate the heavy burdens of negative karma and serious misdeeds. Master Kuan Ru leads disciples worldwide to recite diligently the Mantra daily and dedicate the resulting merit to the blessing of Great Compassion Mantra Water. This blessed water is regularly distributed to hospitals, retirement homes, special education schools, psychiatric hospitals. Even many Buddhist temples and shrines request for the Great Compassion Mantra Water. Through Master Kuan Ru's boundless compassion and love, it is hoped that everyone may receive the nurturing influence of the Dharma and the the cleaning of the Great Compassion Mantra Water so that all may come to learn Buddhism and give rise to the Bodhicitta.

Great Compassion Mantra Water brings benefit to both the living and the deceased. Everyone is encouraged to actively participate in the "Sprinkling the Great Compassion Mantra Water" activities held at Gondesan Temple's global branches and practice centres. On regular days, you can join these events, and especially during the Qingming Festival, the Great Compassion Mantra Water can be sprinkled on ancestral graves, benefiting not only our ancestors but also the wandering spirits nearby. Our goal is not only to benefit our relatives but also to help rescue others from suffering. The departed are especially pitiable, as they have not yet attained rebirth in the Pure Land. Since it only takes a small effort on our part to help them, we should all aspire to do so together.

Under the guidance of Master Kuan Ru, disciples travel to different locations around the world each month to sprinkle Great Compassion Mantra Water including slaughter houses, fishing ports, cemeteries and the ocean. This practice is inspired by Avalokiteshvara Bodhisattva's verse, "With willow branches may holy water be sprinkled over the three thousandfold world. May the nature of emptiness and eight virtues benefit human and celestial beings, that bliss and longevity be enhanced and prolonged extensively, sins absolved, iniquities exonerated, and flames transformed into red lotus blossoms." Through Sprinkling the Great Compassion Mantra Water, beings suffering in the burning house of the three realms, tormented in body and mind, can receive the incredible comfort of the Great Compassion Mantra Water, increasing their blessings and longevity. This helps us mature our spiritual resolve, develop great compassion and the Bodhicitta, and strengthen our aspiration to attain Buddhahood and benefit all beings.

With such a mindset, we can work to save sentient beings, quickly change our destinies, brighten our futures, and recover from illness more swiftly. May all who see and hear this actively support and participate in the Sprinkling the Great Compassion Mantra Water, participate in group practices and Puja activities. This way, our karmic obstacles will be eliminated, our wishes swiftly fulfilled, and we will enjoy auspiciousness and prosperity with the constant blessings of all Buddhas and Bodhisattvas.

The Great Vows of Master Kuan Ru

“若是我持咒、念佛、讲法的音声，一切如来与我同音。我的音声遍虚空法界，一切众生皆得闻。听见我的音声，不论本人或者是翻版复制，见到我的相、听到我的名字，其一切众生皆会恶业重罪灭除，莲花化生，往生西方极乐净土，上品上生，成就佛道。并发阿弥陀佛之四十八大愿，也发观世音菩萨之十二大愿。”

When I chant the mantra, preach Buddhism, all Tathagata will accompany me. My image, the sound of my name or my voice whether in person or replicated will permeate the void and the Dharma Realm. Those who see or hear me will have their sins and bad karma eliminated and be blessed with immeasurable good fortune. They will be transformed to lotus flower in the Western Pure Land, meet Buddha once the lotus blooms and be in the highest of the highest stage. I take the 48 great vows of Amitabha Buddha and the 12 great vows of Avalokitesvara.
